# SELF-CARE FOR CAREGIVER

A common phrase we often share with caregivers is "You can't take care of anyone else if you don't take care of yourself." Although the concept of self-care may seem simple enough, it is surprising how easily it

can be forgotten in the day-to-day routine when you are caring for a loved one. When you have someone who is depending on you to care for them, their needs often become priority. It often isn't until the caregiver finds themselves struggling with fatigue and burnout that they realize that their own needs have been neglected. Self-Care for the Caregiver explores important aspects of self-care that are often overlooked by caregivers, discusses signs of caregiver fatigue and burnout, provides self-care options along with ways to implement them into a caregiver's daily routine, as well as provides support and encouragement for those who are caring for a loved one. This training is provided by Stephanie Kostizen, LMSW, ACHP-SW who is a hospice social worker and veteran advocate for Caring Circle.

# **MOVIE MATINEE**

### Second Friday, July 14, at 1:00 pm Fourth Friday, July 28, at 1:00 pm

### July 14: Blended

Recently divorced mom Lauren (Drew Barrymore) and widowed dad Jim (Adam Sandler) let their friends push them into a blind date, which goes disastrously wrong. Unsurprisingly, neither wants to see the other ever again. However, fate intervenes when both Jim and Lauren, unbeknown to each other, purchase one-half of the same vacation package at a South African

resort; they and their children are forced to share the same suite and participate in a slew of family activities together. PG-13

### July 28: Won't Back Down

Jamie Fitzpatrick (Maggie Gyllenhaal) and Nona Alberts (Viola Davis) are two women from opposites sides of the social and economic track, but they have one thing in common: a mission to fix their community's broken school and ensure a bright future for their children. The two women refuse to let any obstacles stand in their way as they battle a bureaucracy that's hopelessly mired

in traditional thinking, and they seek to re-energize a faculty that has lost its passion for teaching. PG

# SING! SING! SING!

Come out and join us for great summer fun! Have you ever wanted to do a performance for your family and friends? Perhaps you sang in high school or college, or maybe in the church choir. Well, here is your chance to show off your skills in a fun and friendly atmosphere! Dr. Greta Pope is a professional, veteran entertainer who has performed throughout Europe, the Far East, South America, Canada and the U.S.A. She is a seasonal resident of Buchanan (Clear Lake) for more than 40 years. Dr. Pope has taught students of all ages to sing and develop their own vocal style with the type of music that they love. She addresses everything from vocal technique, to microphone technique, to stage fright! Dr. Greta Pope holds a Master of Music Degree and a Ph.D. in Business. Not only does she sing in the classical, broadway, pop, r&b and country styles, she also teaches all of those styles. So, whatever your favorite style of music is...she's got you covered. Bring your favorite song and let's have some fun!
